

F-Word

heft

gutteral flub across the finish
line finally without the flair
and bereft of effort

FF through the next cleft
part fluff
formally informal frag
graphing fomentation faux pas
featuring free-for-all

fascination
aluminum focus at the mellifluous fuss suffering
nefarious frenetic canning fetish
fawning guffaw in a baffling gaff
foibler in a royal foil
putting out his feelers

multifarious
illumination
exclamating f***
pardon my French flinch
effulgence effrontery

office worker
trifles with filing and whiling flip
deaf after functioning fanatic twiddle
in the foray and forward-thinking
fiddle-faddle
pushing off-color one-liners

snuff effusion and flush
in the obfuscation and foreshadowed chiaroscuro of folly
it's about f-ing time
