

Mummy

her name her um  
                                  muster  
shimmer emanation mimeo cameo

we were there to mismanage mangle and otherwise  
                  mar the meanwhile  
                  muttering empty murmers and mumbling  
                  mirthful purrs and mellifluous metrics  
among the inflammation melt and mold  
                  of the mum substance  
                  Summer

                                  mother may i  
                                  hit-and-miss missus  
                                  merry-making incumbent  
                          jumble loosely your ejaculant muck  
                  in the big mama empathy of embittered  
emphasis and amanuensis of mammy

                  i am what i mammory

emphatic muddle in this thumb twiddling middle  
                  of the dream fumble  
                  muddle dumbly
