

Peter P.: Pumpkin Eater

ball pean trollops in prancy flower patches and batches  
peeping tom under purple periwinkle comforters  
lopping peek-a-boo penetration cops and postulating  
pimpley whipper-snappers pulling lollies in the pink light  
pick-off pliant penumbras panties tops and flip-flops  
piss-drunk in pajamas and popping wood when possible  
primrose and pie-hole wide in a peanut trump gripping fidget

pinochle penelope on a pile pillow willing to pickle  
puddle-weird syrup and pushover pusher in a plum pudding plumbing  
rapid fire podunk in a topless romp at the pump cap-a-pie  
perfumed and fool-proof penny primed and plied for peal-back  
peek-a-boo pitch with an itch for panic-stricken panting  
walloping polly with a whiffle pinch and hiccupping  
pummel crumpet and heavy-pet pussycat in a strip point  
puss-n-boots betty in a boop sputtering please please please

peach prober and discordant disrober prodding a drippy piston  
lip perpendicular split in the tippie trip and purr prettily  
almost perfect wood-hop behind a pale backdrop albeit sloppy  
pull the full moon in again against the pit of this pin cushion  
step lightly and pimp with a big stick
